Graduate Development Programme

Summer Vacation Programme

Graduate Development Programme

Australia, New Zealand,
Singapore, Indonesia &
Malaysia

Holistic learning

- Develop your technical skills by working alongside experienced specialists and on projects.
- Access formal training via our Early Careers team, Arup University and Global Skills Networks.
- Receive support for chartership, professional qualifications and associate memberships.

20-month experience

- Choose from two intakes: March or September.
- Access permanent, ongoing employment for graduates after programme completion.

Connect online or in person

- Participate in social, cultural and educational events.
- Join member networks, such as Emerging Professionals and our LGBTQIA+ community.

ARUP

Summer Vacation Programme

Australia & New Zealand

Our Summer Vacation Programme is a 12-week paid placement over the summer university break.

You will access curated learning content helping equip you with valuable skills to set you apart in your career.

Our curated learning workshops will help you:

- Build your professional presence and employability skills.
- Learn strategies to manage challenges in the workplace.
- Unlock your potential using a growth mindset.
- Explore career pathways and direction.
